WORK EXPERIENCE

European Consortium for Political Research

Conference Assistant

Jan - Jul 2026

Planning and coordination for the *13th Biennial Conference of the Standing Group on the European Union*, held in Catania, Italy (1-3 July 2026). Coordinated stakeholder outreach, vendor relations, and budget planning and oversight, and managed event communications and logistics.

Joint Research Centre - European Commission

External Expert

Dec 2025 - Feb 2026

Independent research on knowledge brokerage as input for JRC projects. Designed a research strategy for a review of academic and grey literature, and wrote a report based on a large bibliographic dataset, combining qualitative and computational text analysis.

Visiting Scientist

Jun 2024 - Oct 2024

Collaboration on EU multi-country projects on evidence-informed policymaking and science-for-policy ecosystems across the EU. Wrote reports, country analysis, and coordinated national experts in producing policy-oriented outputs in the context of the joint JRC-OECD project.
